MOMENTS LIKE AT A LIVE CONCERT

"It's one big adventure: Jazz, rock, pop, techno, hip-hop – you'll find everything in the huge treasure trove that is the rock'n'popmuseum."

Udo Lindenberg
Honorary Citizen of Gronau

"Pop music has an all-encompassing vitality ... it shouldn't be too well-behaved."

Ellen ten Damme

"Suddenly heaven above opens up and you find yourself in the midst of a Queen concert. I almost started crying. I never thought I'd get to experience it that intensely again."

Helmut Brasse
Music journalist for the WDR

"Music is the only universal language that connects the entire world. It has an energy like no comparable medium."

Henning Wehland
German rock musician and co-founder of the H-Blockx

**We can't explain it.
You have to see it for yourself.
